| **Restricted programs for exchange students** | • Law applicants must have a TOEFL of 100 iBT and these applications must be reviewed and approved by the law school admissions office.  
• Course numbers ending in "U" are offered by the School of Continuing Studies. These courses may not meet home institution degree requirements, are not available for undergraduates until arrival at Richmond, and will require special approval for registration. Business exchange students are NOT permitted to take courses in the School of Continuing Studies. |
| **Course Registration** | • Online course catalog: [http://registrar.richmond.edu/catalogs/index.html](http://registrar.richmond.edu/catalogs/index.html)  
• If our office receives exchange student application materials by the preferred deadline, students will have the opportunity to be pre-registered for courses.  
• If the application materials are received after the preferred deadline, course choices will be severely limited as Richmond students will have already registered. Exchange students must have all course prerequisites and are encouraged to take no more than 4 courses per term. We recommend exchange students take at least one course in a subject regarding the United States (e.g., art, music, theater, political science, history, religion, etc). |
| **Special course for exchange students** | Special course for exchange students: ESL tutoring is available. An ESL class designed specifically for exchange students is available through the Department of Modern Literatures & Cultures. Incoming exchange students should have very strong writing, listening and speaking skills as the volume of daily work required for most courses is high. |
| **Duration of exchange** | One semester or one year. |
| **Services Available to exchange students** | Exchange students receive and have access to all the same services as local students. Exchange students are encouraged to join student clubs and sports, which may have a nominal fee.

| **PRACTICAL INFORMATION** | |
| **Meal Information** | [http://dining.richmond.edu/](http://dining.richmond.edu/)  
Exchange students are automatically registered for a meal plan ([http://dining.richmond.edu/meal-plans/](http://dining.richmond.edu/meal-plans/)) according to their residence hall placement. Changes to the meal plan after arrival on campus may be possible depending on the housing assignment. Only students living in UFA apartments have the option to cook their own meals as this is the only housing where full cooking kitchens (but not utensils) are available. |
| **Housing Information** | https://housing.richmond.edu/  
Exchange students who meet all stated deadlines are guaranteed on campus housing. Approximately 92% of undergraduates live on campus. Exchange students are not permitted to live off-campus. Furnished short-term off-campus housing is difficult to find and public transportation is limited. |
| **Accommodation over break** | Yes, exchange students must notify housing office at least two (2) weeks prior to break period. Summer housing is an additional cost. Meals during break periods are not included in the meal plan and must be paid out of pocket. |
| **Health Insurance Policy** | Exchange students, regardless of their nationality, must purchase the mandatory UR medical insurance, which is billed to their student account. This insurance charged cannot be waived and no exceptions will be made. |
| **Emergency contact (Name, phone number, e-mail)** | The following **emergency numbers** for UR staff should be contacted in the order listed below:  
**Campus Police**
(804) 289-8911 for life-threatening emergencies  
(804) 289-8715 for non-life-threatening emergencies

| **Work off-campus** | Must be authorized prior to commencing employment. More information on the web page:  
http://international.richmond.edu/students/stay/employment/off-campus.html |

### Off-Campus Transportation

The University of Richmond recently launched a robust transportation system designed to increase connectivity between campus and the city of Richmond while dramatically furthering the University’s commitment to sustainability. The comprehensive plan reduces our reliance on individual cars through a transit system that offers shuttles around campus and to popular destinations throughout Richmond.

The Transportation Center offers the Campus Safety Shuttle, Downtown Shuttle, Spider Shuttle, GRTC Connector, Zipcars (car sharing), Zimride (ride sharing). More information on each transportation option can be found here: [http://transportation.richmond.edu/](http://transportation.richmond.edu/)
